

## MEDIA RELEASE

### De la Vina and Figueroa Street Intersection Pedestrian Safety Improvement Construction Begins in April 2013

SANTA BARBARA, CA – March 25, 2013

The City of Santa Barbara's Public Works Department will begin construction on the De La Vina and Figueroa Intersection Improvements project in April 2013. Work will continue through June 2013. Construction hours are limited to weekdays from 7:00 A.M. until 5:00 P.M. New street lights will be installed and curb extensions will be constructed at all four corners. The project was approved by the City Council on March 5, 2013 to improve pedestrian safety.

Construction activity and equipment noise are expected during work hours. One traffic lane will remain open on De la Vina Street at all times; Figueroa Street will be subject to intermittent closures. Access to area businesses will be provided; **however, traffic delays are expected, and motorists are advised to take alternate routes.**

If you have questions regarding the project, please contact Ken Young, Project Engineer, at (805) 560-7568 or via email at [kyoung@SantaBarbaraCA.gov](mailto:kyoung@SantaBarbaraCA.gov). Informacion en espanol es disponible al (805) 897-2615.
